The Summer Teams Accomplished Much

Wow! What a wonderful summer filled with blessings. We can't begin to say thank you enough to our summer missions teams and hosts for giving sacrificially of their time, energy and finances to go and be the arms of Christ extended to those in need.

Each year, we are continuously amazed by how much can be accomplished with the body of Christ unites on a shared mission.

- This summer our teams completed many important tasks at the Bolivia Life Center orphanage, including:
 1.) physical checkups with each child
 2.) a water line was dug and installed to provide water for the bakery and other workshops in the Life Skills Training building
 3.) a drain line was dug for the same building
 4.) a mural was painted in the grandes dormitory (pictured below, the words read "My chains are gone, I've been set free")
 5.) a rock floor was laid under the laundry lines, which will now be filled in with concrete
 6.) a fence was built to create a boundary for the agricultural area and keep the cows in one area

- In addition, the teams also:
 1.) ministered to kids in many villages through playing and performing skits at Sidewalk Sunday School
 2.) spent invaluable time loving on the boys at the BLC orphanage
 3.) developed and strengthened numerous relationships

All in the name of and for the glory of our Heavenly Father.

Back to School

As we prepare for a new school year, what better time to send much needed school supplies to our boys in Bolivia? Many stores are running special school sales and tax-free shopping weekends are scheduled nationwide. While you're out shopping for your fall essentials, could you also pick up some supplies for the children at the Bolivia Life Center orphanage? They need glue (liquid and stick), colored pencils, protractors, compasses, scientific calculators, tape, erasers and scissors.

You can mail donations to Children's Impact Network

You can also make a donation to help purchase education materials for our boys by clicking the donate button below.

Bolivian Independence Day

On August 6, Bolivia celebrates its independence from Spain. Like in many towns across America on our Independence Day, the streets are filled with parades. Our boys participated with their school – in the band, carrying flags and walking alongside their classmates.

Friendship Day

On July 23, the boys (along with the rest of Bolivia) celebrated Friendship Day. This special day is a time to express your appreciation, respect and love for the people in your life. At the Bolivia Life Center orphanage, this is done by dropping short notes into a special friendship card box in the cafeteria. The boys write to the staff and to each other. This year, the last summer team was able to drop notes into the box as well. It is such a joy to see the smiles on their faces as they receive these small confirmations that they are loved and valued.
