For the next four weeks there will be a continuous flow of missionaries visiting with our boys at the Bolivia Life Center orphanage. Christ Fellowship from FL arrived early Friday morning. The Hernandez family arrived in Bolivia today. And, we'll welcome two teams from Lake Forest in North Carolina, as well as a team of 23 missionaries from around the United States in the next few weeks.

Right now, the Bolivia Life Center orphanage is filled with energy and excitement. Our boys are overjoyed by the visits. The teams are energized and enamored – both by our boys and our Lord who is working within all their lives. Yes, this is a wonderful time of year, and you can play a special part in this season. Please pray for our teams in Bolivia, as well as for our boys – that the teams visit may continue etching away the scars of their past. And, we need financial support to purchase materials for the teams to accomplish their work. A donation to the Bolivia Life Center today will help our teams leave lasting marks of love for our boys tomorrow. Will you help them make a difference in the lives of our boys?

Will you help them make a difference in the lives of our boys?

Maybe you couldn't go on a trip this year, but you can still partner with us. Funds are needed to accomplish many projects around the orphanage.

Thank you BLC Partners

Last summer we launched a monthly giving program called Bolivia Life Center Partners to help provide for the educational needs of our boys at the orphanage. We had more than 20 people join this

program, many of whom were already sponsoring a child and wanted to do more. We can not thank you enough! You are truly blessings.

Our BLC Partners each decorated a quilt square, which our staff quilted together along with the inspirational words from Jeremiah 29:11 "For I know the plans I have for you declares the Lord. Plans to prosper you and not harm you, plans to give you hope and a future." The quilt is now hanging in one of the classrooms.

In addition to the basic necessities covered by sponsorship, our boys have many educational needs. This program helps provide for their academic, life training, mentorship and extracurricular opportunities. Each of our boys receives personal tutoring in the afternoons, school uniforms and materials.

Our staff works tirelessly to help prepare our boys for their futures. While providing them with love, spiritual guidance and an education today, we are enabling them for tomorrow. CIN is committed to providing for their higher education or training for their desired career.

A Successful Shoe Drive

Have you ever wondered about volunteer opportunities with CIN? Recently two women from Huntersville, NC decided to pursue one such opportunity and they have certainly been a blessing. Over the past two months, Angela Statzer and Kim Bergmann have been collecting tennis shoes for our boys at the Bolivia Life Center orphanage. Thanks to Angela and Kim, one of our missions teams from North Carolina will be taking 43 new pairs of tennis shoes down to our boys. And, they raised more than enough in monetary donations to buy new tennis shoes for the rest of the boys!

Each year our boys receive a new pair of tennis shoes and a new pair of dress shoes for school and church. Click the button below to participate in the shoe drive.
