New Sponsorship Opportunities

You can change a life, for only \$75 a month. sponsor a child today

Sponsorship provides real relationship:
You will receive & send letters to your child twice each year.
You will become the extended family to an abandoned child.
You can travel to Bolivia to meet your child.

* the cost of travel is not included in sponsorship

All sponsorship donations are used to provide your child with food, clothing and care within a safe and loving Christian home. As a sponsor, you will play a vital role in your child's healing. Forgotten by their biological families, our boys rediscover love and self worth at the BLC and through a relationship with you.

We recently created opportunities for additional sponsorships of the boys at the Bolivia Life Center orphanage. Sponsorship provides the boys with an extended family and more people praying for them specifically by name. It also supplies much needed resources, so we can provide the boys with a safe and loving home.

When you say yes to sponsorship, your sponsored child hears you say, "I chose you". Instantly you become their madrina or padrino (godmother or godfather). This relationship provides an incredible sense of worth to our boys. It is a vital part of their healing. In return, it becomes a huge source of joy for their sponsors. As a sponsor, you will receive the privilege of an inside view to God's work in your child's life. Please consider making an important investment in a life today.

Summer 2010 Missions Trips

July 15 – 24 is the week for our open team. Anyone that is not a member of a church going this summer can join the open team. It is always amazing to see how God works within this team. You will arrive as strangers and leave as family. Please don't miss this great opportunity to join with other Christians from around the States to go and be the hands, feet and heart of Jesus to the boys at orphanage and many others in Bolivia.

There are also a few spots left on our medical team trip, June 3 -12. This trip does require applicants to have medical experience. Team members on this trip, will do medical screenings of the boys at the orphanage and other medical outreach to neighboring villages.

Would you like to talk with someone about what to expect on a missions trip to the Bolivia Life Center orphanage? Please contact Anna Hart at anna@cinonline.org or 561.304.3400.

To reserve your spot: Send your name, contact information and preferred dates of travel to Anna Hart at anna@cinonline.org. Then, send a \$100 deposit to CIN at PO Box 541900, Lake Worth, FL 33454. You can complete the missionary application online by [clicking here](#). Once we've received your application and deposit, we'll send you information to help you raise support (donations) to send you to Bolivia. This year's one week trip cost is \$1600 per missionary, which includes all of your travel from the Miami airport. Missionaries are responsible for getting to the Miami airport. We'll take care of everything from there.
